Subaru Outback Center Console Covers Installation

Read through all of the instructions completely before beginning the install.

Parts Included:

- A. Seat Covers
- 1 x Center Console Cover

Tools Needed: (not included)

Hands

Time:

Approx 5 Minutes.

1. Open the Center Console

Start by opening the Center Console.

Then grab the PRP Cover, and make sure

2. Slide the PRP Cover over the Console

Slide the cover over the top of the console. Make sure the cut out slot for the console latch lines up correctly. Then pull the rear of the cover around the back of the console.

3. Attach Rear Clip

Take that clip at the rear of the cover, and feed it through the center and towards the front.

Attach it to the card slot under the console lid.

4. Check and Adjust Fitment

Push and pull the material around as needed so that the cover is sitting correctly on the console.

Some small wrinkles may take some time to smooth out as the console gets used and the material warms up in the sun.

5. ... And You're All Done!
